Fern shall not be bound to transport by any particular schedule, means, vehicle or otherwise, other than with reasonable dispatch.
4. **PACKAGING AND CRATES:** Shipper's property must be well packaged for safe and secure handling, storage and shipment using ordinary care. Fern makes neither representation nor any warranty regarding the acceptability or suitability of any packaging system or procedure that Shipper might use for its property. Fern shall not be responsible for damage to loose or uncrated materials, pad wrapped or shrink-wrapped materials, glass breakage, concealed damage, carpets in bags or poly, or improperly packed or labeled materials. Crates and packaging should be of a design to adequately protect contents for handling by forklift and similar means. General guidance as to acceptable packaging systems and procedures may be found in publications such as the National Motor Freight Classification, published by the National Motor Freight Traffic Association.
5. **PERISHABLE GOODS:** Goods of a perishable nature are carried in dry trailers without environmental or atmospheric control or other special services unless Shipper states on the face of the "Service Request and Shipping Instructions" that the goods are to be carried in a refrigerated, heated, specially ventilated or otherwise specially equipped trailer. This carriage may be subject to additional charges. Shipper is responsible for bringing the goods to the proper temperature before loading the goods into the trailer, for the proper stowage of the goods within the trailer, and for setting the temperature (including maintenance and repair), during all times after the trailer is spotted by Fern and before the trailer is received by Fern. Fern is not responsible for product deterioration caused by inherent vice, defects in the merchandise or transit times in excess of product shelf life. Refrigerated, heated, specially ventilated or otherwise specially equipped trailers are not equipped to change the temperature of goods (they are equipped only to maintain temperature). Shipper will give written notice of requested temperature setting of the thermostatic controls before receipt of the goods by Fern. When a loaded trailer is received, Fern will verify that the thermostatic controls are set to maintain trailer temperature as requested. Fern is unable to determine whether the goods were at the proper temperature when they were loaded into the trailer or when the trailer is delivered to Fern. Air temperature at the unit sensor will be maintained within a proper range of plus or minus 5 degrees Fahrenheit of the temperature requested by Shipper on the face of the "Service Request and Shipping Instructions" if the goods were at that temperature when loaded into the container and if the temperature controls were properly set when the container was loaded.

**6. REFUSED SHIPMENTS:** If the Consignee refuses a shipment tendered for delivery or if Fern is unable to deliver a shipment because of fault or mistake of Fern, Fern's liability shall then become that of a warehouseman. (a) Fern shall promptly attempt to provide notice, by telephonic, electronic or written communication as provided on the face of these shipping instructions, if so indicated, to Shipper or the party, if any, designated in these instructions to receive notice. (b) Storage charges, if applicable, shall start no sooner than the next business day following the attempted notification. Storage may be, at Fern's option, in any location that provides reasonable protection against loss or damage. Fern may place the shipment in public storage at the owner's expense and without liability to Fern. (c) If Fern does not receive disposition instructions within 48 hours of the time of Fern's attempted first notification, Fern will attempt to issue a second and final confirmed notification. Such notice shall advise that if Fern does not receive disposition instructions within 10 days of that notification, Fern may offer the shipment for sale at a public auction and Fern has the right to offer the shipment for sale. The amount of sale will be applied to Fern's invoice for transportation, storage and other lawful charges. Shipper will be responsible for the balance of charges not covered by the sale of the goods. If there is a balance remaining after all charges and expenses are paid, such balance will be paid to the owner of the property sold hereunder, upon claim and proof of ownership. (d) Where Fern has attempted to follow the procedure set forth above and the procedure is not possible, nothing shall be construed to abridge the right of Fern, at its option, to sell the property under such circumstances and in such manner as may be authorized by law. (e) When perishable goods cannot be delivered and disposition is not given within a reasonable time, Fern may dispose of property to the best advantage. When Fern is directed by Consignee or Consignor to unload or deliver property at a particular location where Consignor, Consignee, or the Agent of either is not regularly located, Fern's liability for the shipment shall terminate after unloading or delivery.

**7. INSURANCE:** Fern IS NOT AN INSURER. Shipper is responsible for obtaining insurance for its property. Fern provides no insurance for Shipper or its property.

**8. LIMITATION ON SHIPPER'S RECOVERABLE DAMAGES:** Shipper understands that even if Shipper's property is lost, stolen, or damaged, Fern does not pay replacement or restoration cost of any property. **FERN'S MAXIMUM LIABILITY SHALL BE THE AMOUNT OF PROVEN ACTUAL VALUE NOT EXCEEDING THE LOWER OF THE FAIR MARKET VALUE (THE "FAIR MARKET VALUE" EQUALS THE AS IS WHERE IS PRICE FOR THE PROPERTY AT THE LOCATION OF THE SHOW TO WHICH PRICE A WILLING BUYER AND A WILLING SELLER WOULD AGREE IN AN ORDINARY COURSE OF BUSINESS, ARM'S LENGTH SALE.) OR \$25.00 (USD) PER POUND (SHIPMENTS MOVING VIA GROUND) AND \$.50 (USD) PER POUND (SHIPMENTS MOVING VIA SECOND/NEXT DAY AIR) AND SHALL NOT EXCEED \$100.00 PER PIECE OF CARGO LOST OR DAMAGED UNLESS AT THE TIME OF SHIPMENT SHIPPER MAKES A DECLARATION OF VALUE FOR CARRIAGE IN THE SPACE DESIGNATED ON THE SHIPPING INSTRUCTIONS AND PAYS THE APPROPRIATE VALUATION CHARGE.** Even if Shipper has made a declaration of value, liability shall never exceed the depreciated original invoice value or the fair market value of the property, whichever is less. The value per pound for applying declared valuation charges shall be determined by dividing Shipper's declared value for carriage by the actual weight of the shipment. In all cases not prohibited by law, where a lower value than the actual value of the said property has been stated in writing by Shipper or has been agreed upon in writing as the released value of the property upon which the rate is based, such lower value plus freight charges, if paid, shall be the maximum recoverable amount for loss or damage. Notwithstanding the above limitations, all shipments containing the following items of extraordinary value are limited to a maximum declared value of \$500.00 (USD): (a) Artworks and objects of art, including without limitation, original paintings, drawings, etchings, watercolors, tapestries and sculptures or prototypes; (b) Clocks, jewelry, including costume jewelry, furs, and fur trimmed clothing; (c) Personal effects, including without limitation, papers and documents; or (d) Coin money, currency, gift certificates, debit cards, credit cards, and any other items of extraordinary value. Any declared value in excess of the maximums allowed herein is null and void, and the acceptance by Fern for carriage of any shipment with a declared value in excess of the allowed maximums does not constitute a waiver of these maximums. In any event, (excluding small package program shipments) **FERN'S MAXIMUM LIABILITY WILL NEVER BE MORE THAN \$100,000 PER SHIPMENT.** Shipper understands that even if Shipper is not able to participate or fully participate in a Show due to loss of, theft of, or damage to their property, Fern shall not be liable or responsible for damages identified by the terms (by way of example only and not in limitation of the breadth of this clause) such as the following: consequential damages, loss of use damages, loss of profits damages, business interruption damages, delay damages, special damages, collateral damages, exemplary damages, damages awarded for gross negligence, direct damages, indirect damages, or damages for failure of performance, breach of contract damages, fraud damages, or any other sort of damage for tort or breach of contract. This limitation shall bind the parties: **(A) WHENEVER OR WHEREVER THE CLAIMED LOSS OR DAMAGE MAY OCCUR; (B) EVEN THOUGH THE ALLEGED LOSS OR DAMAGE IS CLAIMED TO RESULT FROM NEGLIGENCE, STRICT LIABILITY, PRODUCTS LIABILITY, BREACH OF CONTRACT, BREACH OF STATUTE OR REGULATION, OR ANY OTHER LEGAL THEORY OR CAUSE, AND; (C) EVEN THOUGH FERN MAY HAVE BEEN ADVISED OR BE ON NOTICE OF THE POSSIBILITY OR EVEN THE PROBABILITY OF SUCH DAMAGES.**

**9. SHIPPER'S RESPONSIBILITIES AND INDEMNIFICATION:** (a) Shipper must pay in full for the services rendered under this Agreement at the time the services are requested. The existence of a dispute between Shipper and Fern relative to any claim or other matter shall have no bearing on this duty of payment. No claim may be submitted by or on behalf of Shipper to Fern unless Shipper's account is current. (b) Shipper understands and acknowledges that Fern does not accept or transport illegal or hazardous materials of any kind or nature. Shipper warrants and will ensure that its property is inert, and contains no Hazardous Substances, Hazardous Materials, Chemicals, Gasses, Explosives, Radioactive Materials, Biologically hazardous agents, or any other substance, matter or object in any form that could pose a threat to the health or safety of Fern persons, property, or the public welfare in general. Such goods may be warehoused at owner's risk and expense or destroyed without compensation. (c) Shipper shall defend and indemnify Fern, its employees, directors, officers, and agents from and against any and all demands, claims, causes of action, fines, penalties, damages (including consequential), liabilities, judgments, and expenses (including but not limited to reasonable attorneys' fees and investigation costs) on account of personal injury, death, or damage to or loss of property or profits arising out of or contributed to by any of the following: Shipper's negligence, willful misconduct, or deliberate act; Shipper's violation of Federal, State, County or Local ordinances; Shipper's violation of Show Regulations and/or Rules as published and set forth by Facility and/or Show Management; and/or Shipper's failure to comply with subsection (b) of this section regarding the inclusion of any dangerous substances in the property placed with Fern.

**10. CLAIMS:** Claims must be filed in writing within nine (9) months after the date of delivery of the property (or in the case of export traffic, within nine (9) months after delivery at the port of export), except that claims for failure to make delivery must be filed within nine (9) months after a reasonable time for delivery has elapsed. Suits for loss, damage, or delay shall be instituted against Fern no later than two (2) years and one (1) day from the day when written notice is given by Fern to the claimant that Fern has disallowed the claim or any part or parts of the claim specified in the notice. Shipper shall deliver notice of claim for loss or damage by hand, U.S. mail, courier, facsimile, or electronic means to Fern Transportation: 645 Linn Street, Cincinnati, OH 45203, as soon as loss or damage is discovered. The notice of claim shall invite a prompt joint survey of the damage, at a time and place to be agreed between the parties, and such survey shall go forward promptly. However, if in any case the property is received by the Consignee or the Consignee's agent without notice of loss or damage to property being served on Fern within 15 calendar days of the receipt of the property, it is agreed between Fern and Shipper that in that instance the presumption shall arise that the property was delivered in proper quantity and in good condition. Claims filed more than nine (9) months following the date on which the property was delivered or should have been delivered are agreed to be forever time barred.

**11. CHOICE OF FORUM / ARBITRATION:** THIS CONTRACT SHALL BE CONSTRUED UNDER THE LAWS OF THE STATE OF OHIO WITHOUT GIVING EFFECT TO ITS CONFLICT OF LAWS RULES. EXCLUSIVE VENUE FOR ALL DISPUTES ARISING OUT OF CONTRACT, TORT, COMMON LAW OR RELATING TO THE ENFORCEMENT OR INTERPRETATION OF THIS CONTRACT SHALL RESIDE IN A COURT OF COMPETENT JURISDICTION IN CINCINNATI, OHIO. Notwithstanding anything herein to the contrary, any controversy or claim arising out of or relating to this Agreement, or the breach thereof, shall be exclusively settled by arbitration administered by the American Arbitration Association in accordance with its Commercial Arbitration Rules and judgment on the award rendered by the arbitrator(s) may be entered by any court having jurisdiction thereof.

**12. MISCELLANEOUS:** (a) Shipper warrants the accuracy of the weight and dimension data furnished in this Contract; (b) Shipper understands that once its property is shipped by Fern pursuant to the instructions contained in this Contract, Shipper has no right to control the shipment, stop the shipment in transit, or divert or reschedule same. (c) Shipper agrees that this Contract may be provided to any third party, including common or contract carriers of cargo by air, water, rail, or road, for the purpose of confirming the right of Fern to control the handling of the property and all matters related to payment for the shipment. Shipper agrees that all shipments are subject to correction and final charges determined by the actual or re-weighted weight of the shipment.

### Policy Regarding Official Service Contractor and Regulation for Exhibitor Appointed Display House Contractors to Install and Dismantle Displays

Show Management, acting on behalf of all exhibitors and in the best interest of the exposition, has appointed an Official Service Contractor to perform and provide necessary services and equipment.

The Official Service Contractor is appointed to:

- a. Insure the orderly and efficient installation and removal of the overall exposition,
- b. Assure the distribution of labor to all Exhibitors according to the need,
- c. Provide sufficient labor to satisfy the requirements of Exhibitors and for the exposition itself,
- d. See that the proper type and limits and insurance are in force, and
- e. Avoid any conflict with local union and/or exhibit hall regulations and requirements.

The Official Service Contractor will provide all usual trade show service, including labor. Exceptions are:

- f. Supervision may be provided by the Exhibitor,
- g. The Exhibitor may appoint an outside independent contractor for installation and dismantle only of the Exhibitor's display.

Exhibitors may employ the service of independent contractors to supervise the installation and dismantle of their display, providing that the Exhibitor and the installation and dismantling contractor comply with the following requirements:

1. The Exhibitor, in writing, must notify Show Management and Fern Exposition and Event Services of their intention to utilize an independent contractor no later than the given deadline date, furnishing the name, address and telephone number of the firm. Letters as such from independent contractors are neither valid nor acceptable.
2. Only the exhibitor named independent contractor's employees will be authorized on the show floor. Employees of third parties named or subcontracted by the Exhibitor named independent contractor will not be authorized admittance on the show floor unless those employees are named and badges as specified in the following article.
3. The independent contractor must furnish Show Management and Fern Exposition and Event Services with the names of all on-site employees who will be working on the exposition floor prior to the first move-in day and see that they have and wear at all times identification badges supplied by the independent contractor containing the independent contractor name, employee name, and Exhibitor company name, plus wear an exhibitor work pass supplied by Show Management.
4. The independent contractor must have all business licenses, permits and Worker's Compensation insurance required by the State and City government and the Convention Center Management prior to commencing work and shall provide Show Management and Fern Exposition and Event Services with evidence of compliance.
5. The independent contractor must carry a minimum of \$1,000,000.00 in Commercial General Liability Insurance and shall provide Show Management and Fern Exposition and Event Services with a certificate of insurance showing coverages and amounts and naming the sponsor, Fern Exposition and Convention Center as coinsured.
6. The independent contractor must follow the scheduled work times or pay any additional costs incurred because of extended work hours.
7. The independent contractors may not solicit business on the exhibit floor.
8. The independent contractors must confine their operation to the exhibit area of their clients. No service desks, storage areas or other work facilities will be located anywhere else in the building. The show aisles and public spaces are not part of the Exhibitor's booth space.
9. The independent contractors must comply with all labor agreements and practices and must not commit or allow to be committed by persons in their employment any acts that could lead to work stoppages, strikes or labor problems.
10. The exposition floor, aisles, loading docks, service and storage areas will be under the control of the Official Service Contractor, Fern Exposition and Event Services. The independent contractors must coordinate all of their activities with Fern Expositions.
11. For services such as electrical, plumbing, telephone, floral, booth cleaning and drayage, no contractor or supplier other than the Official Service Contractor/Supplier will be approved. This regulation is necessary because of licensing, insurance, and work done on equipment and facilities owned by parties other than the Exhibitor. Exhibitors shall provide only the material and equipment they own and is to be used in their exhibit space.

material handling definitions

fern

Material Handling Services include the unloading of your exhibit materials, storage of up to 14 days at the advance warehouse prior to show move-in, delivery to the booth, moving empty containers to and from empty storage and moving exhibit materials from booth to reload onto outbound carriers.

### How do I ship to the advanced warehouse?

Typically, freight will be received at the advance warehouse beginning 30 days prior to exhibitor move-in. Refer to the Exhibitor Services Manual (ESM) or contact a Fern Exhibitor Services Representative at the phone number or e-mail address listed in the ESM for the time frame in which freight will be received at the advance warehouse. To ensure the arrival of your material at show site, freight should arrive by the deadline date noted on the Material Handling and Freight Services Order form. For your convenience, labels with the warehouse address are included in the ESM. The warehouse will accept crates, cartons, skids, cases and carpets. Loose or pad wrapped material must be sent direct to show site. All shipments must have bill of lading and a certified weight ticket. Freight received at the advance warehouse will be delivered to your booth prior to your arrival at show site.

### How do I ship to show site?

Freight will be accepted during exhibitor move-in. Please refer to show move-in dates and times on the Show Information page in the ESM. Shipping address can be found on the Material Handling and Freight Services Order form and the Show Site shipping labels. All shipments must have bill of lading and a certified weight ticket.

### Can I ship my materials collect?

Collect shipments will not be accepted. Please be sure to mark your bill of lading "prepaid". This will designate that the shipping charges will be paid by the exhibitor or a third party.

### What do I do with my empty containers during the show?

Empty labels are available at the Exhibitor Service Desk. Place a label on each container. Containers with these empty labels will be picked up and stored in a non-accessible area.

### Are my materials secure after they are delivered to the show or before they are picked up after the show?

Consistent with trade show industry practices, your materials may be left unattended between the delivery of your shipment to your booth and your arrival, as well as the time between the close of the show and leaving your booth and the pick-up of your materials. It is recommended that arrangements for a representative to stay with your materials during these times. It is recommended to insure your materials from the time they leave your company to when they are returned. All materials handled by Fern are subject to the Terms & Conditions included in the ESM.

### How do I ship my materials after the close of the show?

An Outbound Bill of Lading Request form is included in the ESM. To save time, complete and submit this form to Fern Exposition & Event Services prior to exhibitor move-in. Your BOL and labels will be available at the Exhibitor Service Desk prior to the close of the show. If you do not submit the form ahead of time, you can still receive your documents by visiting the Exhibitor Services Desk at show site. Once your materials are packed up and labeled, turn your BOL into the Exhibitor Services Desk before leaving the show floor.

For your shipping convenience, information or representatives from the official show carrier will be on site to handle outbound transportation. If you are shipping with a carrier other than the official show carrier, you will need to contact your carrier and provide them with pick-up information. Please refer to the Show Information page or contact Fern Exposition & Event Services for dates and times. If your designated carrier fails to show by the designated time, your freight will either be re-routed onto the official show carrier or returned to the warehouse at an additional expense to the exhibitor.

### Do I need to order forklift services to have my materials loaded or unloaded?

Forklift services are for installing or dismantling of your booth. If you need your materials loaded and/or unloaded to/from your booth you will need to complete the Material Handling and Freight Services order form located in the ESM.
